BOEING

Dear Mr. Broderick:

On behalf of the Aviation Rulemaking Advisory Committee, I am pleased to submit the enclosed recommendation for publication on the following subject:

AC 25.XX Certification Maintenance Requirements

The enclosed package is in the form of a final draft AC. The package was developed by the Systems Design & Analysis Harmonization Working Group chaired by Ed Schroeder of Boeing and J. C. Rouquet of Aerospatiale. The membership of the group is a good balance of interested parties in the U.S. and Europe. This group can be made available if needed for docket review.

The members of ARAC appreciate the opportunity to participate in the FAA rulemaking process and fully endorse this recommendation.

Sincerely,

Gerald R. Mack
